There are a limited number of spots for those students who would like to bring their dog to the course! The following guidelines will be considered prior to accepting a dog to attend:

1. Dogs must be pre-approved. After receiving your registration, we will follow-up to discuss your dog’s attendance!
2. Dogs must be friendly with people & other dogs, with the ability to settle & be calm during certain course sections. They must be comfortable being handled by other people in the class, often 2-3 people at a time.
3. To maintain a positive learning environment & to ensure safety, we reserve the right to determine that a dog must be sent home if the course environment is not suitable for the dog.
4. All dogs must be up to date on vaccinations. A current vaccination record is required prior to the course date.
5. Pawsitive Wellness Pet Care & Walks’N’Wags Pet First Aid assume no liability should damage and/or injury be caused by your dog. You are responsible for your pet at all times – thank you!

If you would like to request that your dog accompany you, please provide the following details:
